

White Lies

mirror surface collage

*White lies are considered innocent,
but I have never liked this definition.
Lies are never white and pure as snow
nor are they innocent,
but we all tell lies!*

*Lies arise from fear, shame, insecurity
or they are a means to an end.
Thinking that we never tell lies
is a self-righteous pretence,
and it is horrid to find out
that our life is based on lies.*

*They are tools used by man and society
and they should be governed
with common sense and responsibility.
Lying is an essential experience
to become a "good boy"!*
